

S.O.T.C. FOUNDATION NEEDS YOUR HELP

The Standin' On The Corner Foundation is a 501(c)3 non-profit, volunteer-only organization dedicated to the rebirth and restoration of historic downtown Winslow. Our shared focus is healthy community growth and revitalization of the historic downtown area on legendary Route 66. The dedication of our volunteers brought on the creation of the Standin' On The Corner Park and the Eagle Pavilion.

SOTC needs your help more than ever, the two-story mural created by Trompr L'oeil artist John Pugh depicting the famous "girl in a flatbed Ford" scene needs to be restored (you may notice that 2 of the windows are missing). This project is very expensive and any donation is appreciated. A donation box is setup in the park or you can donate with QR Code reader below with PayPal. [All DONATIONS are TAX Deductible!!!](#)
